ORION. We'll make YOU a fan.

60 Volt DC Fans

*Higher voltage fans
for telecom applications*

OD6025-60LB Series
60mm x 25mm (2.36" x 1.0")
Airflow: 26 CFM

OD9225-60HB Series
92mm x 25mm (3.6" x 1.0")
Airflow: 69 CFM

OD1238-60HB Series
120mm x 38mm (4.7" x 1.5")
Airflow: 115 CFM

Features and Benefits

- Accepts input voltage from 36VDC to 72VDC without sustaining damage
- Available special options: tachometer output, locked rotor alarm, IP55-sealing, PWM & constant speed controls
- Operating temperature from -20°C to +70°C
- Life expectancy (L10) of 65,000 hours at 45°C
- Additional frame sizes in stock - custom orders available
- Worldwide availability with JIT delivery programs
