

Make the Identification Process Easier

Wraptor™ A6500
WIRE ID PRINTER APPLICATOR

The Wraptor™ A6500 Printer Applicator helps you move through your work faster and takes manual processes out of your hands. With this innovative print and apply machine, you can move your productivity forward — and turn a series of labor-intensive, inefficient tasks into a modern automated process.

With the Wraptor A6500 you get a variety of benefits, including:

▶ Increased Productivity

- Prints and applies labels to a wire in less than 5 seconds (12 times as fast as hand applying)
- Eliminates the need to print labels in advance with zero-queue printing
- Reduces waste with ribbon-saving feature and compared to batch jobs where extra labels are thrown away

▶ Enhanced Quality

- Uses high-performance, self-laminating vinyl and nylon cloth materials
- Provides a tight wrap with minimal spiraling, bubbling or wrinkling
- Prints high-quality bar codes, logos and diagrams with the 300 dpi print head
- Wraps bundles, wire and square jackets

▶ Easy to Use

- Includes a full-color responsive touch screen and an icon-based user interface for ease of use
- Durable and reliable system reduces downtime
- Runs wires from 0.060 - 0.600 in. diameter without adjustments or unique tooling
- Applies labels in widths up to 2 in. and lengths from 0.75 - 3.0 in.
- Easily transportable to different work stations

▶ Easy to Connect

- Enhanced connectivity, three USB ports and 32GB of internal memory to store commonly used job files

▶ Easy Label Creation

- Use the Brady Workstation Product and Wire Identification Suite for creating basic text labels or labels with graphics and custom formatting
- Works with all Brady Workstation Apps and Suites

Upgrade your Current Wraptor Printer Applicator

Get an upgrade and get the latest enhancements, including:

- Completely new electronics with 32GB internal memory
- New 7 in. color-touch screen
- New front cover including adjustable display mount and front accessible USB port
- New back connector interface with USB and Ethernet ports
- New Split Side Door to reduce the clearance required to open the door

The upgrade does not include repairs to the mechanical portion of the Wraptor that can be done at standard pricing, or as part of your Brady 360 service agreement. This upgrade is not field installable, and must be done at the factory.
