## Heilind Stocks FCI Power Solutions

WILMINGTON, Mass., Oct. 14 /PRNewswire/ -- Heilind Electronics, the largest distributor of interconnect, electromechanical and wire & cable products in North America, has added to its industry-leading tool-kit of connector offerings with FCI Power Solutions. FCI Power offers a broad range of power connector solutions for power supply and backplane-to-card interfaces as well as cable assemblies for power distribution. FCI's impressive line of Power products includes PWRBLADE® for power distribution, HCI®, Edge Cards, D-Subs and USB, as well as custom power products. These products provide the design engineer with end-to-end power solutions for chassis-based equipment designs.

To learn more about these products and other power delivery and distribution solutions, please visit [http://www.heilind.com/products/fci/FCI\\_Power.asp](http://www.heilind.com/products/fci/FCI_Power.asp) or call (888)-411-3672. Heilind has distributed FCI products since 1990 and maintains one of the world's largest inventories of FCI products.

### About FCI

With operations in 30 countries and sales of 1.25 billion euros (1.84 billion dollars) in 2008, FCI is a leading manufacturer of connectors. Its 13,000 employees are committed to providing their customers with high quality, innovative products for a wide range of consumer and industrial applications.

FCI designs and manufactures connector solutions targeting the Automotive, Non Automotive, Telecommunication Infrastructure, Consumer Electronics, Data Storage, Utility and Industrial Electrical Power, Instrumentation and Medical markets

### About Heilind Electronics.

Heilind Electronics ([www.heilind.com](http://www.heilind.com)), with sales in excess of US\$500 million, is a leading distributor of connectors, relays & switches, thermal management & circuit protection products, terminal blocks, wire & cable, wiring accessories and insulation & identification products. Heilind serves OEMs and contract manufacturers in the medical devices and instrumentation, industrial controls and equipment, non-automotive transportation, aerospace and telecommunications markets. In addition to the world's largest interconnect inventory, Heilind offers a complete portfolio of innovative logistics and supply chain management services including automated inventory management & auto-replenishment systems, on-line materials management tools and a full menu of electronic file sharing options.

Heilind Electronics has over 25 sales offices throughout the U.S., Canada and Mexico, two automated distribution centers in California and Ohio and a value-added center in Hudson, New Hampshire. Heilind also offers customers a complete portfolio of innovative logistics and supply chain management services including automated inventory management & auto-replenishment systems, on-line materials management tools and a full menu of electronic file sharing options.
