Heilind Electronics is a leading distributor of components to the alternative energy market. Our global warehouses have the industry's largest inventory of interconnect products from preeminent manufacturers. High-quality products for the PV solar and EV/HEV industries include:

Antennas
 Cable Assemblies
 Cable Ties
 Charging Stations
 Connectors
 Contactors
 Cord Grips

Disconnect Switches
 EV/HEV Connectors and Harnesses
 Fuses & Fuse Holders
 Grounding Products
 Labels & Identification
 Lightning & Surge Protection

Relays
 Sensors
 Switching Modules
 Tooling
 Wire & Cable
 Wire Management Devices

Heilind's alternative energy manufacturers include:
