Purchasing a simple aerosol cleaner is becoming increasingly complex; requiring the balance of performance needs with the safety of your workers and environmental responsibility. With tougher regulations related to ozone depletion, toxicity and overall product safety, you may find yourself sacrificing performance or unable to justify costs. Not anymore. Now you can get what you want and need in a line of aerosol cleaners you can afford.

3M is pleased to introduce a revolutionary line of non-flammable, high-performance cleaners: 3M™ Novec™ Aerosol Electronic Degreaser, Contact Cleaner and Flux Remover. Novec Aerosol Cleaners are based on high-performance proprietary formulations. Our experience in developing solvents for sensitive manufacturing applications and in-depth knowledge of the maintenance, repair and operations market has led to an outstanding line of aerosol cleaners for industrial maintenance and repair.

With a favorable environmental profile, Novec Aerosol Cleaners are non-ozone depleting and contain no nPB, HFCs or HAPS. These high-performing products have a wide margin of safety for use in intended application and are a sustainable alternative to HCFC-141b. And, Novec Aerosol Cleaners are from 3M, a name you know and trust for quality and value.

The 3M™ Novec™ Aerosol Cleaners give you outstanding PERFORMANCE and a WIDE MARGIN OF SAFETY in intended applications.

3M™ Novec™ Aerosol Cleaners are available now for use in your toughest applications! Contact Heilind Electronics at 1-800-400-7041. We have these in stock for immediate delivery.
Find the 3M™ Novec™ Aerosol Cleaner that will work for you.

### 3M™ Novec™ Contact Cleaner
- Removes oils, light grease, silicones, Krytox® oil, dust and particulates from sensitive equipment.
- Quick drying and non-corrosive. Ideal for electrical or energized components including contacts, relays, switches, circuits, instrumentation and sensors.
- Non-flammable, plastic-compatible and low in toxicity.

### 3M™ Novec™ Electronic Degreaser
- Removes oils, grease and handling soils from electric motors, electrical equipment, precision devices and other electro-mechanical or sensitive devices.
- Uses 3M’s advanced technology that offers industrial strength cleaning and is non-flammable.

### 3M™ Novec™ Flux Remover
- Removes rosin, organic fluxes, oils, grease, waxes and similar contaminants found in electronics manufacturing and other electromechanical applications.
- Uses 3M’s advanced technology that offers industrial strength cleaning and is non-flammable.

**Product Use:** All statements, technical information and recommendations contained in this document are based upon tests or experience that 3M believes are reliable. However, many factors beyond 3M’s control can affect the use and performance of a 3M product in a particular application, including the conditions under which the 3M product is used and the time and environmental conditions in which the product is expected to perform. Since these factors are uniquely within the user’s knowledge and control, it is essential that the user evaluate the 3M product to determine whether it is fit for a particular purpose and suitable for the user’s method of application.

**Warranty and Limited Remedy:** Unless stated otherwise in 3M’s product literature, packaging inserts or product packaging for individual products, 3M warrants that each 3M product meets the applicable specifications at the time 3M ships the product. Individual products may have additional or different warranties as stated on product literature, package inserts or product packaging. 3M MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE. User is responsible for determining whether the 3M product is fit for a particular purpose and suitable for user’s application. If the 3M product is defective within the warranty period, your exclusive remedy and 3M’s and seller’s sole obligation will be, at 3M’s option, to replace the product or refund the purchase price.

**Limitation of Liability:** Except where prohibited by law, 3M and seller will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.
